

### LIFE AFTER TANFIELD

NAME        **LINDA COULTHARD (NEE MOORE)**

PUPIL AT TANFIELD FROM **1958** TO **1963**

### MY LIFE AFTER LEAVING TANFIELD

With only 4 'O' levels, I began my Civil Service career in National Savings as a clerical assistant. My first promotion was through an exam and subsequent ones by interview.

During my 36 years I had such diverse roles as in Death Claims Branch, Staff Development & Training Branch and helping implement changes in policy and legislation such as Data Protection, Money Laundering and new Index Linked Savings Certificates and ISAs. Finally I was Customer Relations Manager dealing with escalated complaints - successfully- as the next step would have been the Ombudsman!

I took redundancy in 2001, aged 54, when Siemens took over administration of the now National Savings & Investments. I enjoy gardening, reading and dining out, now that my husband and I no longer travel far and wide.
